Other Prior Art

1. Printed three pages of a website on April 13, 2000. The Web address was [www.antennaweb.org](http://www.antennaweb.org). The Applicants know a similar website was online prior to this date, but are unaware of the precise first date of such website. The Applicants suspect it may have been as early as October 1, 1999.

2. The Applicants are aware of use of paper maps showing color coverage areas relating to suitability of a particular antenna. The Applicants are unaware of the actual first date, but suspect it may be around January 1, 1999.

This Information Disclosure Statement shall not be construed as a representation that a search has been completed or that no other material information as defined in 37 C.F.R. §1.56(a) exists, nor shall the submission of any document or the disclosure of any other information in connection herewith be construed as an admission that the information cited is, or is considered to be, material to patentability, or as an admission against interest in any manner.

The above-listed references are, in the belief and opinion of the undersigned, the closest art of which the Applicants are aware as of this date, and it is hereby respectfully requested that this document be considered and made of record in the above-identified application.

It is believed that this disclosure complies with the requirements of 37 C.F.R. §§ 1.56, 1.97, and 1.98, and the Manual of Patent Examining Procedures §609. If

for some reason the Examiner considers otherwise, it is respectfully requested that the undersigned be called so that any deficiencies can be remedied.

Some of the documents may have markings thereon. No significance is meant to the attached markings.

These documents are not necessarily analogous art.

It is respectfully requested that the Examiner indicate consideration of the cited references by returning a copy of the attached form PTO-1449 with initials or other appropriate marks.

Respectfully submitted,

BY:
